Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I would like to object to the above planning. Copthorne is a small village and this will create further traffic in a place that is already saturated. We do not need any more properties or another convenience store when there are already 3 in the village, this would not be

good their businesses.

I do not believe the public house should change use, the right public house would be a fantastic community builder.

Please reconsider this as it is not of any benefit to Copthorne.

Kind regards
