Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I consider this proposal to be a danger to the public. Living in The Meadow I have to negotiate illegal parking and traffic jams constantly when trying to exit the village. The traffic through the village has increased immeasurably in the 30 yrs I have lived here and to encourage more seems irresponsible. I can't understand why another convenience store could not be relocated to within the new development.

Kind regards
