Dear Joanne

Thank you for getting back to me so quickly.

That is good news about the plan, and yes, we are happy to agree to the revised description.

With best wishes,

Dear Helen,

Happy New Year to you too.

I can accept the updated proposed drawing for consideration which you sent this morning. However, the current description for the application is for '*Replacement of Existing Container with New*'. Please can you confirm agreement to the following revised description for '*Replacement of existing container with **new building.***'

I look forward to hearing from you in respect of this.

Kind regards

Joanne

Dear Joanne

Happy New Year to you!

Thank you for your email about the application.

I am sending an updated proposal drawing with a couple of small updates to the front elevation: the side door to allow for quiet access, and an alteration to the window.
I hope this is OK, and will look forward to hearing from you further in due course.

Dear Helen,

Thank you for your email.

I can confirm I visited the site on Monday.

I currently do not have any comments on the proposal. The consultation period ends on the 31st December when I can start working on the file. A final decision is due on the 3rd February.

Once I have gone through the file in detail, if I have any concerns I will be in contact.

I hope you have a merry Christmas.

Kind regards

Joanne
