Reasons for comment:	
Comments:	The village already has 3 convenience stores in close proximity. We do not need a 4th which will take business away from the others. A 4th will also increase traffic in this area which is already busy and quite a dangerous area to cross the road. Due to the existing businesses nearby there is already very limited parking and congestion. Adding another business here will also make this worse. The area desperately needs to retain the existing parking

at the Prince Albert so that the post office and other amenities can be accessed.

Kind regards
