Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The proposal to build another convenience store will cause many problems. Firstly there are already 3 stores in the village. Another is totally unnecessary. The current pub car park is used by customers on copthorne bank so to build on this would cause cars to park on copthorne bank or worse still, Brookhill road. This is a busy junction and to have a store on the junction is a recipe for serious congestion or worse, a serious accident. None of this will

enhance the village, rather cause potentially serious issues
The proposal is, at best, totally crazy

Kind regards
