Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Copthorne already has enough convenience stores. This would take away much needed parking in the village and may make for more traffic congestion. As someone who was very badly injured in May 2024 when knocked down by a van on Copthorne Bank, we really don't need anything that will bring more traffic and affect road safety. I object strongly.

Kind regards
