Reasons for comment:	
Comments:	I am in support of the pub / land being developed as it is in a sorry state. We need a local pub but this needs some love - this application doesn't support the pub. We do not need another convenience store here and flats would make the area look to built up. We need a Tescos but they should replace the existing Morrisons site which is poorly run. The development should bring some love back to our pub -

perhaps extend the kitchen and have a B&B which was planned before. Then develop the land into a beautiful community space - perhaps a large cafe with decent seating. There are plenty of ideas if you engage the local community about what they want and need. We need to bring the love into the village. Replace Morrisons with Tesco's and support our local pub!

Kind regards
