

Dear Jess,

Given this is a retrospective application and that EP have not received any noise complaints, I recommend that the hours requested on the days specified are conditioned on any permission granted.

I would also recommend the following informative:

Having planning permission in place is no defence against a statutory noise nuisance being caused or allowed to occur. Should the Council receive a complaint once the site is operational, we are required to investigate under the provisions of the Environmental Protection Act 1990 and must take formal action where a statutory noise nuisance is in existence.

Kind regards,
