Subject: DM/25/1446 - Lydhurst Estate, The Street, Warninglid

Dear Anna,

I have been looking through the Tree Planning Report, Tree Planting Schedule and the Landscaping documents for this proposal and have some questions. I noticed that there is a site visit scheduled for the 10th July. Would it be possible for me to attend this meeting, so that I can see in person what is proposed with regards to the trees?

I note that 11 trees will be lost to facilitate the development, including 1 Pedunculate oak and that the native trees to be replanted are in the minority. I would like to view the setting, to assist me with the comments and to understand the species selection for replanting.

Kind regards

Emma
