Tree report

27th November 2024

Re. 17, Valebridge Road, Burgess Hill

The rear garden backs on to a TPO area TP/13/0005.

There are not any significant trees within 15m of the boundary.

None of the trees in that area are mature.

Building works, including digging foundations will not impact on the roots of any trees there.

Yours,
T.R.Symes
