Reasons for comment:	
Comments:	I am the owner of Kilmorie, Yew Lane. The property to the left of Wolding, facing them from the road. I have lived here since April 2015. I understand that there were several sheds or outbuildings, the vast majority of which were present, before i purchased my property. I'm aware of the garden room being built around 2018 and shed numbered as No.5 going in around 2020 from attending gatherings at Wolding. All of the other buildings were certainly present before 2015. I have absolutely no objection to these outbuildings, they have not

affected me or my property, and i have no concerns with permitted development permission being granted.

Kind regards
