Dear Sir/Madam,

Proposal: Discharge of planning conditions 5 and 6.
Site: Victoria House 66 Victoria Road Burgess Hill West Sussex.

Thank you for your correspondence dated the 11th of December 2024, please see our comments below regarding the above application.

From reviewing the submitted application, Southern Water has no objections to discharge condition 5 (**Foul & Surface Water Drainage**) due to the applicant presenting the means for disposal.

In regard to condition 6 which states the development hereby permitted shall not commence unless and until a **topographical site survey and/or a CCTV survey** has been submitted to and approved in writing by the Local Planning Authority with the connection application showing the existing connection points, pipe sizes, gradients and calculations confirming the proposed surface water flow will be no greater than the existing contributing flows. The development shall be carried out in accordance with the approved details. This remains unchanged.

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119)
