|-----------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Comments: | <p>Lindfield Parish Council (LPC) objects to the felling of this TPO protected mature oak tree, particularly noting the limited scope arboriculturist's comments provided (compared with, for instance, the more comprehensive report provided for DM/25/2891) explaining why the tree should be removed.</p> <p>In the circumstances LPC requests that the Tree Officer critically reviews the situation and, in the unfortunate event that the tree is assessed as requiring removal, that a suitable replacement tree be planted and maintained.</p> |
