| Comments:            | This proposed building is 4 STORIES HIGH! It would dwarf the surrounding buildings and be a real eyesore in our pretty village. This site definitely needs upgrading with a new development but NOT one of this size. Please consider the impact such a high structure would have in a village such as Hassocks. Any approved structure should enhance and fit in with the surroundings not stand out like a sore thumb as this one would. |

Kind regards
