Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application

Reasons for comment:

Comments:	I object to this development for the following reasons:- 1. Although the site needs to be developed, I believe the proposed building constitutes over development of the site in a village that has already been over developed. 2. Keymer Road is already congested with traffic due to lack of off road parking. The 26 proposed residential units will greatly increase the parking issues already being faced by local residents and people who work locally.
-----------	---

3. A four storey building is totally out of keeping with surrounding buildings and totally inappropriate for this site.

Kind regards
