Hi [REDACTED]

I have just spoken to Anna Tidey, she is the planning officer dealing with the application. She would like to make a site visit this morning / lunch time, this is standard procedure. I have said there is access around the building so no need for anyone to be there, this is just a courtesy email keeping you in the loop. Anna is copied in on this email so if there is an issue please feel free to email her back as I am about to leave the office for meetings

Anna has also requested an extension of time until 7th August to determine the application which I have agreed

Regards
