Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing use of the land is lawful and consists of a dwellinghouse including a rear garden which has existed for many decades.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Plans and elevations for both the existing house and the proposed single storey extension and alterations.

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The extension plot is in the existing rear garden of the house and does not change the use of the land and therefore considered to remain lawful. The proposed extension is permitted development under the Town and Country Planning Order 2015. The extension fulfils the size and location criteria for a Class A extension (see attached drawings concerning the size, location and finish of the extension).
