Reasons for comment:	
Comments:	I am the President of East Grinstead Cricket Club, a founder member club of the adjacent East Grinstead Sports Club. The use of the Sports Club has grown amazingly over the past few years to the point it is difficult to park at the club when events occur simultaneously. This causes parking on the extremely busy and unrestricted Saint Hill Road. To have the ability to park on the proposed adjacent car park will help immensely and prevent congestion on the Road. Use of the car park can be arranged for preplanned events but increasingly there are tournaments at relatively short notice, and the use of the adjacent car park will be a great help. It is only a short walk across the Sports Club land to the facilities; no one has to walk along very busy Saint Hill Road.

Kind regards
