### Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	If this application is granted you are opening the floodgates for other propert owners to follow suit!  95% of all dwellings have 2 vehicles.  Sub division of 42 and further development will bring even more chaos onto what is already and extremely busy road.  South East Water have already been tirelessly working recently to

solve the drainage and burst pipe problems and now planning is being considered for more unnecessary infill development!

Stop the infill of development in prestigious roads that have character and individuality and stick to housing estates!
