| Stance: | Customer objects to the Planning Application |
| Reasons for comment: | |
| Comments: | We object to this application as we consider that any back garden development of this scale would destroy green space that acts as an essential corridor between homes on the north side of Hurst Road and wildlife habitats and is contrary to the aims of DP38 and NPPF 180. If this application is approved it would also set a wrong precedent with a risk of changing the character of the local area as well as increasing further risk of flooding and drainage issues contrary to DP41 |

Kind regards
