| Comments: | <p>I have no concerns regarding noise from the proposed residential use. However, to protect the amenity of nearby residents during the conversion works, I recommend that any noisy building activities are restricted to appropriate hours:</p> <ul style="list-style-type: none"><li>• 08:00–18:00 Monday to Friday</li><li>• 09:00–13:00 on Saturdays</li><li>• No work on Sundays or Bank Holidays</li></ul> |
|-----------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

Kind regards
