Reasons for comment:	
Comments:	Appl. DM 25/2884 Re. Plot adj. to 48 Wickham Way This proposal, in the garden of No. 48 envisages a very large structure, the rear of the building will substantially protrude behind the building line of No. 52, the northern neighbouring house. This will have a negative impact on No. 52 and overshadow their patio area, being visually obtrusive. Additionally being overlooked will cause lack of privacy and light. As the proposed structure is to the south it will negatively affect sun exposure, shade and enjoyment of No. 52 garden <div></div> 52 Wickham Way
