Reasons for comment:	
Comments:	I do not believe the village needs a new convenience store, particularly at this location. What is needed at the pub is investment and renovation so that it is a nice central community social venue. Any new convenience store (particularly a bakery) would be better placed in the heathy wood development along with other

amenities. Plus improved/complete pedestrian walkways between the village and the development such as via westway. Plus the removal of the bus gate (I cannot find a good reason to now allow car traffic via this route)

Kind regards
