Reasons for comment:	
Comments:	This has clearly been a long term plan running the pub into the ground.It's an absolute disgrace that it has been allowed to happen.There's no way this village needs another convenience store and the parking around that area is awful let alone dangerous.Here's an idea.Sell the pub to someone who really wants it as a going concern and let them return it to the pub it

used to be. The only way these plans could possibly get passed is if brown envelopes are exchanged

Kind regards
