Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to another shop being built next door to a newly refurbished shop which is already part of our community. The owners of the shop are very respected in our village and have spent a lot of money upgrading it so a new shop next door will be met by a great deal of resistance from the village and a possible boycott. The pub is situated on a busy corner of the village with parking

problems making it very difficult for pedestrians and people using the bus stop, any increase in parking requirements would be a disaster.

Kind regards
