Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	Copthorne does not need another convenience store. We already have 3! The road is already congested and dangerous as it's used as a cut through to avoid the main A264 traffic and people do not stick to the speed limit. People park on both sides of the road, block junctions making it even more dangerous for pedestrians. Ridiculous request. Strongly object.

Kind regards
