Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We have more than enough convenience stores, there is absolutely no requirement for another shop. The village is also very congested now due to the new development and we do not need any more housing in the area. This request is unnecessary and simply a money maker for the applicant instead actually thinking what the village and its residents needs.

Kind regards
