Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We don't need more, we need better. This will create too much congestion. Why has this shop not been located on the two massive adjacent new build sites that current have no shop. I'd rather see money being spent on street lighting that poor in

Copthorne stopping females feeling comfortable walking around at night.

Kind regards
