Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	This proposal would be of huge detriment to the village being sited on one of the busiest road junctions in the village, there is absolutely NO need for another store in this part of the village as there are another 3 s'more than adequate stores in this vicinity. There is also no need for further dwellings with the more than enough dwellings in the Heathy Wood & Holly Farm development

where there is a need for a convenience store, school & satellite
GP surgery.

Kind regards
