Reasons for comment:	
Comments:	We really do not need another convenient convenient store live in the top end of roffeys close & we will have more people parking which I can't stop but the other day when going out to take my daughter in law for her chemotherapy there was a car blocking the end of the road stoping me from getting out a delivery driver from getting in my worry is that there could be emergency services trying to get in & my worry is there will be more occurrences like

this if. This proposal goes ahead, also I work in the preschool
opposite the shops and it's already a nightmare for the parents

Kind regards
