Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Busy road junction, don't need another convenience store especially one that's a main chain like Tesco. The road is used as a cut through as it is so traffic will be awful with people popping in on their through journey. Parking is a nightmare as it is around that junction. It's just another money making exercise with absolutely no forethought for what it means for the locals

Kind regards
