Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Why does Copthorne need another shop when it already has 3. The new owner of the post office has made a large investment updating the shop so why should is business be put in jeopardy when another shop is not required. This will bring traffic chaos to an already busy junction, buses already have problems stopping at the bus stop plus parking issues with the 4 flats.

Kind regards
