Reasons for comment:	
Comments:	We have 3 convenience stores in the village. We simply do need another on one of the most problematic blind hill in the village. The area is already congested with double decker buses and more traffic is not needed. The village has to stop being the butt of the 3 councils dumping ground as being in the border of all three has become a nightmare. Chichester, we are the furthest bastion and I'm tired of

everything being dumped here.
No more shops needed.
No more double decker buses should be allowed.
Crossroads at Brookhill/Bank need less traffic not more.

Kind regards
