Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	Copthorne does not require an additional convenience store. It has 3 already. This would also remove what little parking there is, and take away an element of open space. There has been sufficient housing development in the area to last us until 2030, and we especially do not want flats over a shop which goes against the picturesque nature of the village.

Kind regards
