Reasons for comment:	
Comments:	Why would you put a convenience store there when the current store within immediate proximity has just had a massive overhaul. How is that going to support them? Plus the other little shop further down the road?? Would it not be better for the community to over haul the pub and gardens? What with the new Heathy Wood estate is it absolutely

necessary to squeeze in 4 flats on a site that could be refurbished and be a hub for the community.

I for one would be very interested in running the Prince Albert. I just need to know how to go about it.

Kind regards
