Reasons for comment:	
Comments:	There is no room in village for another convenience shop we have 3. More importantly the parking in this area is already terrible without additional parking for residents and shoppers for proposal. We have vehicles parking across the very narrow pavements blocking access. The tight turn for the buses on this junction will be made terrible due to extra parking and the village is already overrun with new homes!

Pub needs to concentrate on being a pub the village can be proud
off not a money grab by selling the outside space.

Kind regards
