Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	We do not need another convenience store, this will be taking business away from the existing ones, regarding the flat, we have 2 big housing developments, with one doctor which is full (we couldn't register to the village one so had to go else where) and 2 small schools. There are no future plans to develop anymore even through the new development were going to develop a new doctor amd school. There is enough cars and traffic going through the

village. This will also put people off going to the village pub which could benefit from more business. This proposal has not taken the villagers into consideration.

Kind regards
