Reasons for comment:	
Comments:	Copthorne village doesn't need another convenience store, there are already several for such a small village. Copthorne Bank is busy and the area around the pizza shop, post office etc gets crazy with traffic and people trying to park. People park on the road where they shouldn't which then blocks the road. Being a resident of the village it's hard to pull out of our close onto the Bank because of this, adding a further convenience store will only

add to this issue with limited parking as it is. It is also very dangerous for children crossing this road.

Kind regards
