Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	The infrastructure is already under serious stress. There are more potholes than there is roads. As disabled individual walking down top Road is already like taking your life in your hands during the winter. We already get Power cuts and flooding I feel this added 108 Homes especially now that they are not going to generate some of the Royal electric electricity is going to put great stress on the local area and amenities

Kind regards
