Subject: DM/26/0135 75 Folders Lane, Burgess Hill - Updated Drainage Strategy and Tree Note

Hi Debbie,

I hope you're well and had an enjoyable easter weekend.

In response to comments received, please find attached a revised Drainage Statement and Strategy, prepared in consultation with Southern Water. I have also included email correspondence from Southern Water confirming that the proposed drainage strategy is now acceptable.

I've also attached a note prepared by SJA in response to the Tree Officer's comments.

Grateful if you could confirm safe receipt of this email and the accompanying documents and we would be happy to agree to a further extension of time as necessary.

If you need any further information or would like to discuss any of the above, please don't hesitate to get in touch.

Kind regards,

Tom
