Commenter Type:	Neighbour or general public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	I object as the site is outside the village boundary. At that point the B2114 road is an extremely busy road. There is a village school close by which results in lots of traffic and pedestrians.

The village surgery is situated nearby which also means lots of traffic and pedestrians. The surgery has closed at Balcombe village creating more traffic at Handcross.

The surgery is struggling to cope with the extra people following the building of Hoadlands and Woodgate estates.

Handcross also has continuing problems with water supplies from South East water and will not be able to cope with an extra 55 dwellings.

This housing estate will not benefit the village in anyway
