Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

We wish to remove condition 5 as it does not impact vehicular turning, parking or access to and from the application site. Demolishing the existing robust timber and block fully functional garage, that is used by Barn Cottage, would be a waste of material, manpower and cause unnecessary damage. It would only to be rebuilt which is also a waste of material and highly unsustainable. The existing garage does not visually or physically impact vehicular access and manoeuvrability on the application site.

If you wish the existing condition to be changed, please state how you wish the condition to be varied
