Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer objects to the Planning Application
Reasons for comment:	
Comments:	I object to this planning application which is associated to application DM/23/2866. This area is AONB undisturbed countryside. This country park application would create unrequired obtrusion into the countryside and create a significant increase in noise, lighting and disturbance. This is not wanted or needed, even more so in an AONB. Please reject.

Kind regards
