Hi Anna,

Thank you for letting me know. This application would also need to follow the same guidance outlined in the ecological report for the tennis court application, would they be able to submit this in this instance as well and have it attached via condition should you be minded to approve the application?

Kind regards,  
Jennie

Hi Jennie  
No there is no ecological report for this application for the house extensions, and there wasn't for the last one, DM/24/2504, either.  
The report came about due to the neighbouring objections to the tennis court.  
Regards  
Anna

Hi Anna,

Is there an ecological report for this application? I note that the other application for this site (the tennis courts) had a report undertaken in January, is there a similar for this application?

Thanks  
Jennie
