RH19 1RP

Dear Tracie,

Thank you for consulting the Flood Risk and Drainage Team on the above application.

We understand the proposed application is for the demolition of existing conservatory and providing rear and side extensions - minor residential extension.

We therefore have no objection to the proposed development on flood risk grounds.

Drainage should be managed via Building Regulations and Building Control, as necessary.

Best Wishes

Flood Risk and Drainage Team
Estate Services and Building Control
Mid Sussex District Council
