Subject: Planning application DM/24/3101

You don't often get email from k.hamper@eastgrinstead.gov.uk. [Learn why this is important](#)

The EGTC planning committee met last week, due to a few staff not being in the office we were unable to get the comment for this application to you sooner. Please note the comment from the committee below:

Committee considered the application and felt this would be an improvement, but would note it would be slightly higher compared to adjacent buildings. Access would not be difficult. This area was identified for commercial development within the NP, and committee voted to support approval.
