

Application reference: DM/26/0859

Site Address: Little Hollybush, East Grinstead

Site Visit Date: 28.04.26

North – Topography slopes down with mature and verdant planting within the land to the north beyond the patio immediately outside.

South – Gravelled track skirts the south of the site with a brick retaining wall.

East – Pond in the distance to the east as well as a faux timber building within the adjacent field.

West – Metal built outbuilding to the west and further patio area wrapping around the side of the dwelling.

Streetscene – Sporadic placed dwellings with verdant planting inbetween.

Other -
