5. What Are You Applying For?

Are you seeking consent for works to tree(s) subject to a TPO? ☒ Yes ☐ No

Are you wishing to carry out works to tree(s) in a conservation area? ☐ Yes ☒ No

6. Tree Preservation Order Details

If you know which TPO protects the tree(s), enter its title or number below.

(TPO 13 OAK TREE)

7. Identification Of Tree(s) And Description Of Works

Please identify the tree(s) and provide a full and clear specification of the works you want to carry out. Continue on a separate sheet if necessary. You might find it useful to contact an arborist (tree surgeon) for help with defining appropriate work. Where trees are protected by a TPO, please number them as shown in the First Schedule to the TPO where this is available. Use the same numbers on your sketch plan (see guidance notes).

Please provide the following information below: tree species (and the number used on the sketch plan) and description of works. Where trees are protected by a TPO you must also provide reasons for the work and, where trees are being felled, please give your proposals for planting replacement trees (including quantity, species, position and size) or reasons for not wanting to replant.

E.g. Oak (T3) fell because of excessive shading and low amenity value. Replant with 1 standard ash in the same place.

Oak tree - branches hang over neighbour's garden. no sunlight in garden at all in months April on wards - affecting mental health as not able to enjoy sitting in garden until around 2pm in the afternoon

7. Identification Of Tree(s) And Description Of Works continued ...

We are not getting any sunlight due to tree position in the garden, every 3 years we apply (normally through an agent) to have the tree reduced unfortunately when we applied in 1st Feb 2026 we had incorrect paperwork!
