Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The property is situated outside of the Lindfield Conservation Area.
There are no trees within falling distance of the extension and does not require the removal of trees.
The proposed rear extension will use materials that match the existing detached house.
The proposed maximum depth of the extension from the original rear wall of the house is 3.85m including the eaves. (Less than 4m)
The proposed maximum height of the eaves within 2m of the boundary is 2.6m. (Less than 3m)
The proposed maximum height of the extension is 3.9m. (Less than 4m)
The proposed extension will occupy less than 50% of the rear garden area.
The proposed extension is therefore within the permitted development rights for the property and a Certificate of Lawful Development is requested.
