Comments Details

Commenter Type:	Neighbour or general public
Stance:	Customer made comments in support of the Planning Application
Reasons for comment:	
Comments:	It is so wonderful to see so much time, care and love put into restoring this property which was in a terrible state of disrepair when the owners purchased it. We hugely appreciate that the view from our upstairs windows is now of a beautifully designed driveway and back garden very much in keeping with the property and the conservation area.

Kind regards
